DEADLINE: FRIDAY, FIFTH WEEK OF SPRING QUARTER

Complete the application, attach a copy of your resume and an unofficial transcript (from Bronco Direct). Return the application package to the Department Office (9-407)

Name: _____

Date: _____

Bronco ID: _____

Dept. ID # _____

CPP Email (only): _____

Quarter: _____

Telephone #: _____

Your answers to the following questions will be used to determine your eligibility admission to a senior project. Submitting false or misleading information will drop you from the course or may earn you a grade of F. An answer of NO for any of the questions does not automatically disqualify you for admission. Each case will be decided on an individual basis.

1) I have attempted the GWT: YES NO

No, I am signed up to take the GWT on _____

2) My Cal Poly Pomona GPA is: _____

My overall GPA is: _____

3) I have completed ECE 341/L AND ECE 325/L or ECE 320 YES NO
(Highlight courses on your unofficial transcript)

If you have not completed these required courses, please *do not* apply until the courses have been completed or are in progress. If you anticipate taking the courses over the summer, submit the application for Fall quarter by the 5th week of Spring quarter.

I plan to graduate: Quarter _____ Year _____

My degree(s) will be:

B.S. in Electrical Engineering B.S. in Computer Engineering SPE Area: _____

PROCEDURES: Faculty will review each application. Students meeting the requirements will be given a Senior Project Contract. **Students will go to instructors and find their own project.** The Senior Project Contract will be kept in the Department Office. *You may not switch advisors, choose wisely!* If you decide you cannot continue with the instructor, you will be dropped or receive a grade of F and you may have to wait until the following Fall to be on a project.
